See page 4 for game rules

Today's game is a 2-person Chapman. Both players tee off. Each player then hits the other's tee shot as their second shot. The better of the two second shots is then selected to be played through the hole with alternate shots from each player starting with the player whose original tee shot is selected. One score per hole is recorded by each couple.

There is an added element for today's game with 3 opportunities to win a \$5 prize on the front 9. All players are eligible to win.

1. On San Tan 3, there will be two lines demarking the center 1/3 of the fairway. Any tee shot that stops inside the two lines will win \$5. On the line counts. The lines will extend from the start of the fairway to the 100 yard marker. Short of or beyond the lines does not count.
2. On San Tan 2, there will be a circle around the hole with an 8 foot radius. Any ball that stops inside this circle that was hit from OFF THE GREEN will win \$5. On the line counts.
3. On San Tan 8, there will be a circle around the hole with a radius of 16 feet. Any ball that goes into the hole from OUTSIDE THE CIRCLE will win \$5, no matter how the shot was hit.

On the scorecard there will be 3 boxes on the line below your name that will be marked green. If you accomplish any of these feats, mark an "X" in the appropriate box.
